Dear Monica,

Congratulations! You will receive a [REDACTED] SECAC Gunlar Bosch Travel Assistance Award. This is the maximum award our budget will allow us given the number of applications we hope to support. [REDACTED]  
[REDACTED] It also underscores SECAC's commitment to supporting graduate students who wish to participate in the conference in some way.

Gulnar Kheirallah Bosch served as SECAC president in 1958 and often presented papers at the annual meeting. She was born in 1909 on the Oglala Sioux Reservation in South Dakota, where her father was a doctor. The family moved to Chicago where Bosch completed high school at the age of 15, and after a time of extensive travel and study, she returned to Chicago to earn a doctorate from the Oriental Institute of the University of Chicago. Her college teaching career began in 1941 at Florida State College of Women, now Florida State University, and following teaching appointments in Georgia and Louisiana, she returned to Florida State in 1960 as head of the art department, a post she held until 1977. Gulnar Bosch continued as an active member of SECAC for many years following her retirement. She died on October 9, 1998.

Award recipients will be recognized and the award checks handed out at the Awards Luncheon on Friday, November 1, 11:45 a.m. – 1:00 p.m in the Guilford B room. However, attendance at the luncheon is not mandatory; you may pick up your check at the registration desk after the luncheon. Please see Rachel Frew.

If you have already registered and did not select the luncheon option during online registration, please contact Rachel Frew (secac@secollegeart.org) to add the luncheon to your registration if you wish to attend. Although the cost of the luncheon (\$17) is your personal responsibility, tables will be reserved for Travel Award recipients who purchase a luncheon ticket before October 16.

If you have not yet registered or joined or need to renew your membership in SECAC, please do so before online registration ends on October 15.
