Dear Ms. Steinberg,

Congratulations! We are pleased to inform you that you have been selected for a Fulbright U.S. Student award for 2013-2014 to **Azerbaijan**. Shortly you will receive a letter from the **J. William Fulbright Foreign Scholarship Board** with further details of the award. This letter will be sent to the mailing address listed in your application and noted above. This address will remain your corresponding address unless you notify us in writing, via email to your IIE Program Manager.

In the meantime, be aware that this award is contingent upon your obtaining: medical clearance; a bachelor's degree, if graduating this year; official research clearance from the host country, where applicable; and required visas.

Please note that all selected candidates will be required to submit a **Medical History and Examination Form** before the grant can be finalized. The Form must be completed and signed by a licensed physician and reviewed by the U.S. Department of State for medical clearance.

The medical form has been posted online along with instructions and other information pertinent to your grant. You should print out the form and have it completed in accordance with the timelines described in the cover memorandum.
